### *Plans for the next months (Los planes para los proximos meses)*

September 2 – Preach for the Spanish congregation at Waukegan, Illinois.

October – Travel to Riga, Latvia for campaign work.

As I have the opportunity to travel to Latin American countries it is obvious that there are men ready, prepared and willing to preach the gospel and work with a local congregation. However, they often lack the financial resources to be able to accomplish that. As you have the opportunity I hope that you will encourage the leaders of the congregation that you are a part of to consider sending support to help a preacher in Latin America. They can be fully supported for about \$600-800 per month. I know of several men who are worthy of consideration for support.

I would also like to thank you for the continued financial support of the Mabelvale Hispanic Mission Work and to me personally for mission trips to Latin America and Latvia.

If you desire to support the work in general or the trips you may send support to Hispanic Mission Work, Mabelvale Church of Christ, PO Box 345, Mabelvale, AR 72103 Att: Wayne Brewer. Thanks again and may God continue to bless the seed of the gospel that is planted in your area also.
