Work Done in Mexico Since March (Trabajo Hecho en México Desde Marzo)

Back in March a group of about fifty brethren when to Ciudad Victoria, Tamaulipas, Mexico to work in the construction of two church buildings and have an Evangelistic Campaign and Gospel Meeting with four congregations in that city.

Since March the brethren in Mexico have continued to work in follow up of the evangelism and Gospel Meeting and there have been two baptisms in the congregation at La Mission. They are also continuing to work on their construction of their church building with some funds that were left with them for this purpose as the photos indicate.
