The mission trip to Costa Rica went very well as we worked with three different congregations in door-knocking, daily Bible school, Bible classes and Gospel Meetings. There was good attendance by members and visitors alike in all three towns. Several Bible studies with visitors were set up and taught during the work in Costa Rica and the brethren there continue with follow-up.

The mission trip to Mexico went very well as this was our fourth time to work with the church in Zaragoza. We evangelized by door-knocking, passing through the flea market and on the town square, and going out into the country. There was a Bible school for children every day as well as other Bible classes and a Gospel Meeting during the evening. We also traveled about an hour from Zaragoza to Ciudad Acuña to preach at and be with the brethren in two different congregations.

Those who have been baptized this year continue to be faithful in attendance at worship services and Bible studies. They are very active and continuing to grow in their knowledge of the Word of God. In addition to their faithful attendance there is the presence of visitors almost every Lord's Day. Gabriel was baptized in August after attending and studying the Bible for a few weeks. He led his first public prayer on the first Sunday of September. Saul Fraga and his family came to Mabelvale on September 27 and he preached for the Spanish congregation while Wayne preached in the English congregation.
